THE MORGAN GARDNER BULKELEY HIGH SCHOOL

Foreword

AS the time draws near when we have to leave our beloved school and go out into a world rent with destruction and chaos, a desire to keep the fond memories of our school and our friends close to us swells within our hearts. Through the medium of this 1941 Class Book we hope to fulfill that desire.

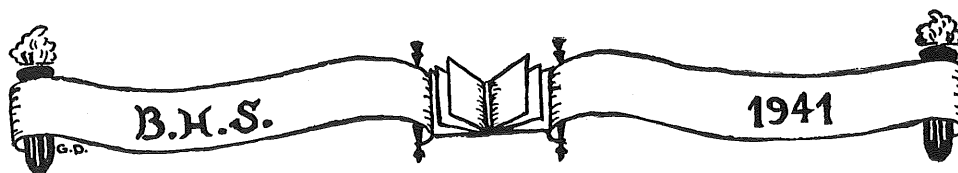

This book is your book in every way. We hope that you will open it many times to recall the years you have spent in Bulkeley and the many lasting friendships that began here. If, perhaps five, ten, or fifty years from now, you will take up this book and smile, even slightly, our task will not have been in vain.

Our thanks go to our teachers and our classmates for their assistance, and especially to Dr. Feingold for his excellent advice; to Miss Potter for her invaluable encouragement and help; to Mr. Hart for his cheerful and willing guidance; to Miss Alma Plumb and the Art Staff, and to Doris Bronson for the admirable art work throughout the book; to Bernard McMahon and John Bradley for their fine sports write-ups; to the typists, Rita Jalbert, Virginia Chipman, Marie Melluzzo, Virginia Parrone, Eleanor Emmanuel, Rose Markman, Margaret McCarthy, Theresa Faillace, Natalie Lynch, Adeline Caruso, and Shirley Griffin, for their everlasting patience and willing labor; and to those of you, who, without hope of recognition, helped in the compiling and editing of this book.

Our Principal's Message

No motto could be more appropriate for young high school graduates at this time than the one chosen by the Class of 1941. "Forward Forever, Backward Never" signifies a spirit greatly needed by our nation in these critical days. The entire concept and foundation of Americanism is being challenged, and American youth is called upon to defend it—not only with his life, but with the very fiber of his soul.

It has taken the sweat and blood, the tears and suffering, and agonizing death of untold generations extending over thousands of years to bring to the surface the concepts of right and justice, of liberty and equality which constitute the very fabric of democracy and civilization. Our forefathers who suffered at Valley Forge, they who gave up their lives at Gettysburg, and those who, in more recent years, crossed the ocean to face death on the already bloody battlefields of Europe, were all motivated by one ideal—to preserve the sanctity of human freedom and individual liberty. This cannot be accomplished unless it is established as a universal principle that, whereas the majority possesses power, the minority is entitled to certain inalienable rights; and that among these are life, liberty, and the pursuit of happiness.

We Americans have been nourished on these ideals. They are the very fiber of our life, and now we see them threatened both from without and from within. We are witnessing the sad spectacle of a people whipped into a series of frenzies—fear, hatred, and the lust of conquest—all under the illusion that they are the select of the earth. There seems to be no way of stopping them by appeal to reason, in spite of the fact that they find themselves isolated in a world of fear and hate. It is like a person who seeks to establish a home in a fine neighborhood and does it at the expense of his neighbors to such an extent that he wakes up to find his home situated in a wilderness. We shall not allow our spiritual mansions, nor our cities and homesteads, to be destroyed in that attempt. Like true and noble Americans, strengthened by our traditions, we will strive forever to preserve our ideals, and retreat from them never.

S. A. 3, 4; Boys' Club 4. Burr Junior High School.

Ralph's pleasing smile and carefree manner made many friends for him with both the boys and the girls of the class.

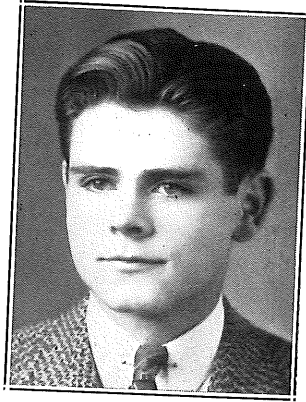

ANNE MARIE AHERN

"Row on, whatever happens."

S. A. 4; Girls' League 2, 3, 4; Swimming Club 3, 4; Editorial Board of "Dial" 3. Never tardy; no demerits. Burr Junior High School.

We shall remember Anne for her fine work on the "Dial." Her articles were of interest to many of her classmates.

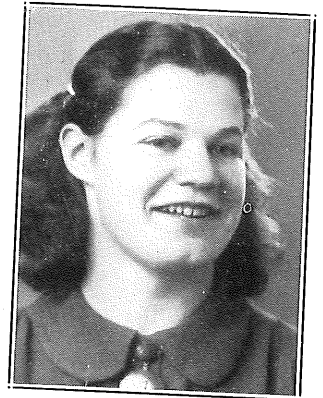

FRANCIS MICHAEL AHERN

S. A. 1, 2, 3, 4; Boys' Club 1, 2, 3, 4; Parnassus Club 2, 3; Intramural Basketball 2. Never tardy; no demerits. Southwest School. Catholic University.

Whenever a good friend and a helping hand were needed we felt that we could call on "Fran." The best to you "Fran;" you deserve it.

FRANCES ALDRICH

"With modest dignity and calm content."

Girls' League 4. Never tardy; no demerits. William Hall High School.

Frances was not one to be thought of as noisy. She was admired by many of her classmates because of her unassuming manner.

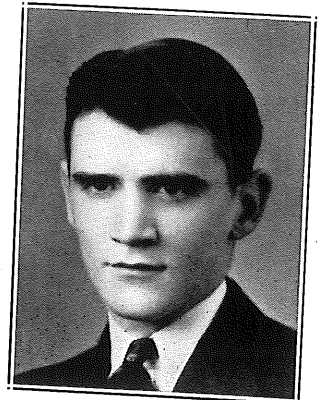

ISOBEL HELEN ALDRICH

"Thought and silence are one."

S. A. 4; Honor Society 4. Never tardy; no demerits. William Hall High School.

Helen is quiet and reserved, but under it all is a jovial sense of humor and a tremendous capacity for turning out accurate, intelligent work.

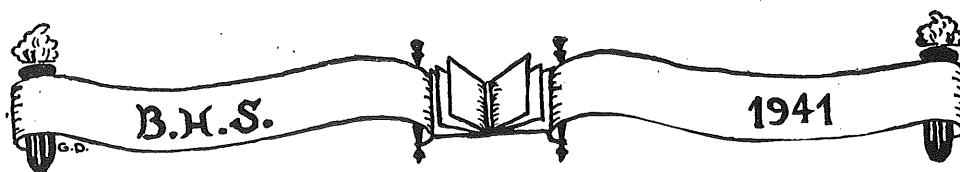

AARON ENNIS ALDRIDGE

"Still runs the water where the brook is deep."

S. A. 2, 3, 4; Boys' Club 2, 3, 4; Boys' Indoor Table Tennis Club 1; Southwest School.

Aaron is a lad with a real sense of humor. On the outside he is quiet, but actually he has more jokes than Bob Hope.

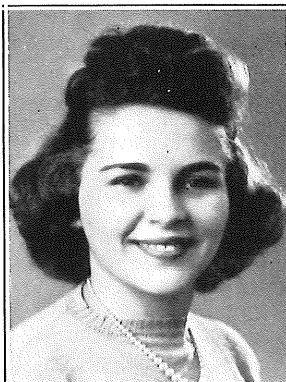

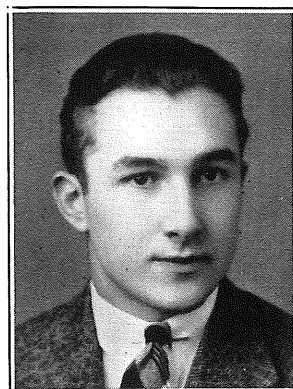

ROBERT LEONARD ALLEN

"An athlete, a scholar, and a friend."

Bob certainly had plenty of vim and vigor. Both on the athletic field and in school he did much to better our school standards. We are sure he will be an asset to Dartmouth. Like father, like son!

S. A. 1, 2, 3, 4; Girls' League 1, 2, 3, 4. Southwest School.

Pearl's smile seemed to be contagious, because whenever she was in a group of friends all were smiling. Perhaps it was because of her radiant personality.

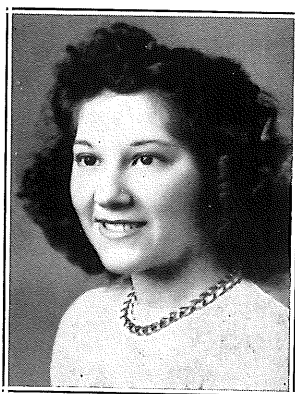

BARBARA ELAINE ANGELO

"Babs"

"Popularity is power."

Although Barbara was small in stature, her smile attracted a tremendous number of friends.

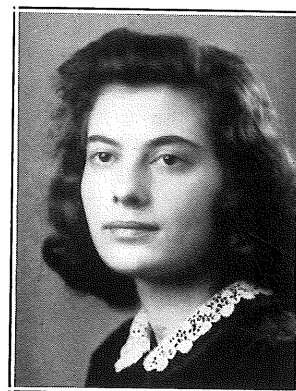

DOROTHY ARCIERI

"Dottie"

S. A. 2, 3; Girls' League 2, 3, 4. Never tardy; no demerits. Burr Junior High School.

"Dottie's" cheerfulness was a boon to all classmates and to the teachers with whom she came in contact.

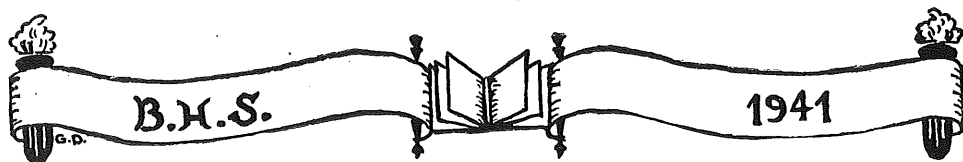

CAROL ELIZABETH ARGENTA

"With a smile on her lips."

S. A. 3, 4; Girls' League 3; Junior Red Cross 4; Student Proctor 4. Never tardy; no demerits. Glastonbury High School.

AGNES FRANCES BABIN
"Ag"

"To women silence gives their proper grace."

Girls' League 3, 4. Burr Junior High School. Connecticut Institute of Hairdressing.

We will always remember "Ag" for her contagious smile. When she smiled, all around her smiled also.

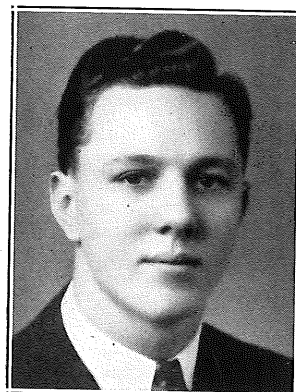

ROCKWELL DICK BAILEY
"Dick"

"'Twould take much to hold him down."

S. A. 1, 2, 3, 4; Boys' Club 2, 3, 4; Southwest School. Coast Guard Academy.

Dick is a fellow who always had a good word and a slap on the back for everybody.

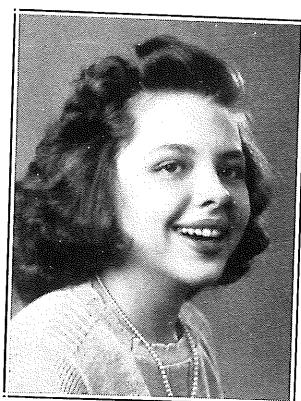

EDWARD PETER BAK
"Eddie"

"It is a world of startling possibilities."

S. A. 2, 4; Boys' Club 2, 3. Burr School.

Eddie amazed us by his ability to pick winners in the football contests last fall. Most of us have a system, but his really worked, as a nice prize check can show.

FLORENCE ROSE BALKAN

S. A. 2, 3, 4; Girls' League 1, 2, 3, 4, Room Representative 4; Agora 2, 4; Scribblers' Club 4; Literary Club 4; German Club 3; Classical Club 3, 4. Never tardy; no demerits. Washington Street School.

Flo was that vivacious little Miss with the beautiful smile. This same smile made many a lad "dig" when she canvassed him to buy tickets.

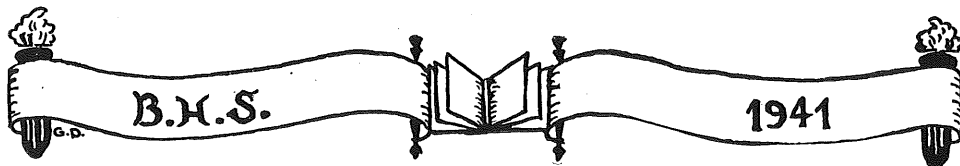

LENA GENEVIEVE BARONE

"Neatness is a crowning grace of womanhood."

S. A. 2, 3, 4; Girls' League 2, 3; Junior Red Cross 3, 4; Upper Class Choir 2, 3, 4. Burr Junior High School. Hartford Secretarial School.

Lena's presence seemed to add a certain indefinable something to the classroom. Her lovely complexion was admired by both sexes.

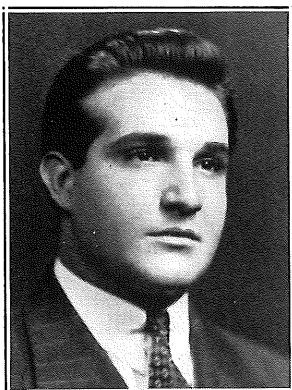

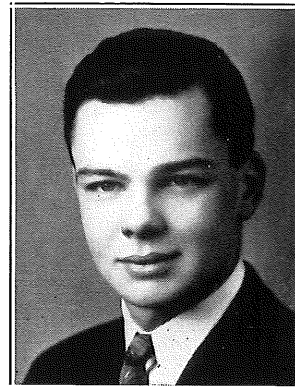

JOHN HENRY BARTMAN, JR.

"Jack"

S. A. 1, 2, 3, 4; Boys' Club 3, 4; Upper Class Choir 1, 2, 3, 4; Boys' Glee Club 1, 2, 3, 4, Secretary 4; Junior Dramatic Club 1, 2; Student Council 1; School Printer 2, 3, 4; Chess Club 3, 4; Honor Society 4; Football 2; Class Treasurer. Washington Street School. Trinity College.

Jack was the office boy of the school. His choir periods were always being cut short by office assignments. He will be remembered also for his fine work in the printing room and for his many friends.

SALVATORE JAMES BARTOLOTTA

"Duke"

"Sigh no more, ladies, sigh no more."

S. A. 2; Boys' Club 4. Burr Junior High School.

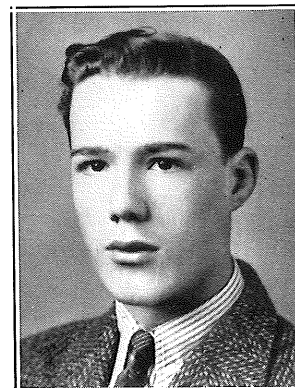

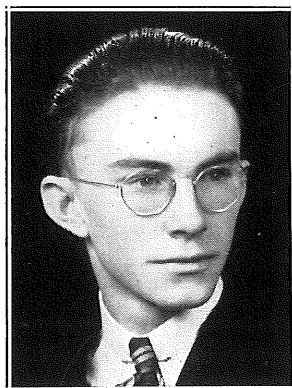

"Duke's" nickname gives him away. If a walking fashion plate ever set foot in Bulkeley halls, "Duke" is the man.

JOSEPH FLOYD BATES

"There is nothing lost by being quiet."

Burr Junior High School.

Although Joseph did not participate often in school affairs, we are told that he has a jolly sense of humor.

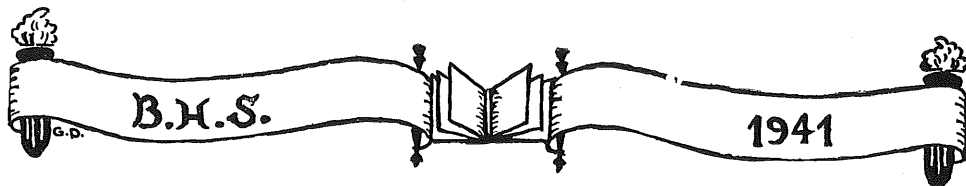

EDWARD JOSEPH BEAKEY

"Beak"

Boys' Club 1, 2, 3, 4; Parnassus Club 4; Freshman Baseball 1; Table Tennis Club 4; Fifth Member 3, Treasurer 4. St. Augustine's School. Morse College.

"Beak" was the fellow who could really hit the corners on the ping-pong table, as many of his opponents can testify.

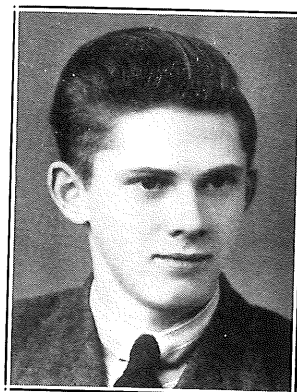

EVELYN ANNA BEEBE
"Beebe"

"Thou art fairer than the evening air."

S. A. 2, 3, 4; Girls' League 2, 3, 4. Burr Junior High School.

Here is a case where her classmates all missed Evelyn's participation in school activities. Although she seemed to have interests outside of Bulkeley, she always presented a well-groomed and attractive appearance.

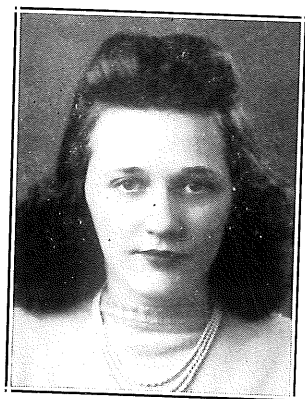

STEWART ROYDEN BEGG
"Stu"

"Great pleasures are serious."

S. A. 1, 2, 3, 4; Boys' Club 2, 3, 4; Edison Club 4; Chess Club 3, 4, Vice-President 4; Boys' Swimming Club 3; Boys' Biology Club 3, 4. Jones Junior High School.

"Stu" impressed us by his versatility. In his spare time he experimented with radio, photography, and chemistry. Most of us have enough chemistry in school, but not "Stu."

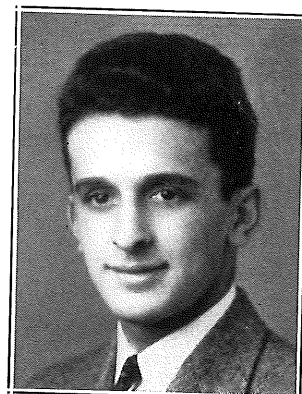

MARGARET ANN BEVINS
"Peg"

"Let not your heart be troubled."

S. A. 1, 2, 3, 4; Girls' League 1, 2, 3; Scribblers' Club 3, 4; Ping Pong Club 2, 3; Kickball Team 1, 2, Captain 1, 2. Never tardy. St. Augustine's School. University of Alabama.

CHAIRMAN'S ADDRESS

Parents, Teachers, and Friends:

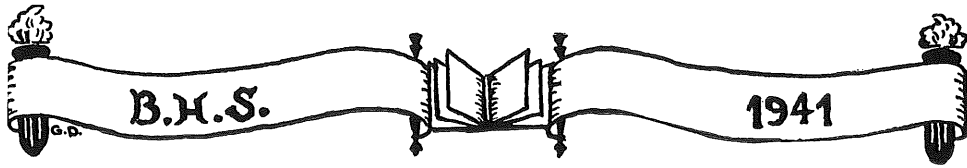

It is my privilege and pleasure as representative of the Senior Class to welcome you to our Class Night exercises.

We wish on this occasion publicly to thank you, our parents, our teachers, and our friends, for the patience you have shown during the past four years, and for the help and guidance you have rendered us, without which our school life would have been far more difficult.

On this joyful occasion several of our classmates, chosen for their vocal, instrumental, or oratorical ability, will entertain you.

Again may I, speaking in behalf of my fellow classmates, bid you a sincere and hearty welcome.

JOHN THOMAS RYAN

CLASS ORATION

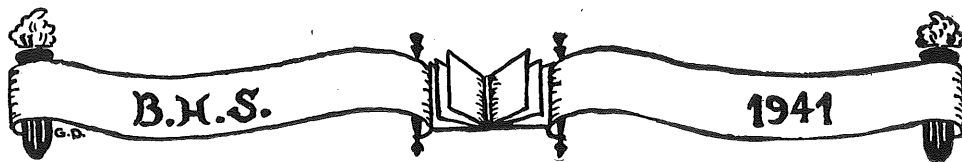

CAUTION FOR SAFETY

OUR first thought at the mention of the word "Safety" is, "Are we physically safe?" Why not? It is only natural that we consider our health before all else. If this be the case, how can we assure ourselves that we are in perfect health? No one knows better than our own doctor how to keep us physically fit. Perhaps at this time someone will make the statement, "Yearly examinations are perfectly all right to suggest, but suppose one can't afford to visit his doctor as often as he should?" The answer to this is the Health Clinics. These clinics have been established for those people who are financially unable to afford a regular family physician. Perhaps we are a victim of tuberculosis and are completely unaware of the fact. Medical science has made such wonderful progress in the past fifty years that there isn't a known disease which cannot be cured if taken care of in time. Thus it is for this one purpose that tuberculin tests are being administered to high school students today. Perhaps now you may see clearer how "to live better and to live longer."

While we speak of keeping ourselves physically safe, many people are being killed and injured through no fault of their own by careless or drunken drivers. We read in the papers of the number of people killed in the European War in one day and we gasp with horror. Yet, just as many people are being killed and seriously injured every day right here in America because some irresponsible drivers think they can sneak through a red light or because they drive while under the influence of liquor. The lives of thousands of people are in the hands of the driver, and unless he is fully capable of operating a vehicle, he should not be allowed to drive. On the other hand, many accidents have frequently been the fault of the pedestrian. A pedestrian has many rules which he must follow if he expects to live a "long and happy life." My purpose in stressing these few points has been to impress on your minds, especially you who are to be our future drivers, that caution must be observed at all times no matter where you are or what you are doing.

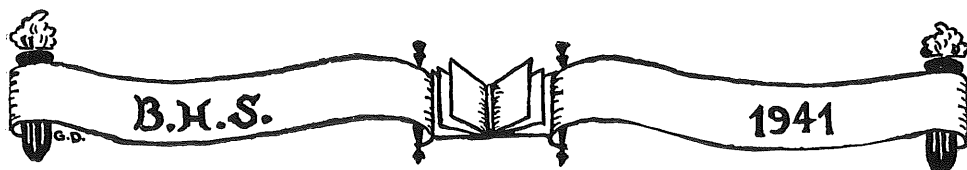

I have mentioned caution in respect to health and accident. Now let me point out a few illustrations in regard to us as a people. We are part of a great nation,

and if we have any love in our hearts for this country of ours, we are going to do everything in our power to make it the perfect example of a democratic nation. People today are altogether too willing to sit back and let someone else worry about affairs. Keeping our country out of war should be just as much a problem of every American as it is of our President. America is a democracy. That means "government of the people, by the people, and for the people." The citizens should be made to realize that this is their land and that, if they wish it to remain a peaceful nation, they must be the ones to keep it that way. The majority of people who argue today as to whether we should give "all out aid to Britain" haven't the faintest idea why they are arguing for or against the policy. Some might say, "England tried to keep us under her rule when we wanted independence, so we should not help her." Is that a very strong argument at a crisis such as this? Certainly not. Our people should take a real interest in all the nation's affairs and should be able to debate points pro or con sensibly.

This dreaded event is not something which is going to pass over in a week or two. It is a crisis, a time when we must be alert and logical in our thinking. We don't want to see another world war in which thousands of American soldiers will be killed. The only way to avoid this is through you, the people. Do your part by keeping up with everyday problems and by acting sensibly and logically, and we will keep America truly democratic.

FREDERICK W. WRIGHT

CLASS ESSAY

HANDS

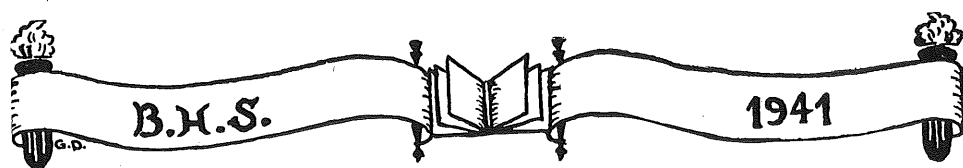

DOUBTLESS each one of us has, at one time or another, noticed hands, either for their striking beauty or for their extraordinary ugliness. We may observe them almost anywhere, over the dinner or bridge table, on the street car or bus, while shopping, while visiting, while at work, or at play. There are the poised, well-groomed hands of a lady, the laborer's rough, grimy, uncared-for hands, which never seem to get quite clean despite scrubbing; there are the grasping, "gimmee" hands of a youngster, which snatch all with never a "please" or "thank you"; the business executive's hands, pushing buttons, scribbling notes, gesturing emphatically, pounding furniture to put across ideas; the nun's cool, calm, peaceful hands, almost a prayer in themselves; the surgeon's hands, quick, steady, sure, never making that fatal mistake. Who can resist a baby's chubby, helpless hands reaching out for some elusive object, or grandma's dear, plump hands, well-worn with caring for us and with making multitudes of gingerbread men and doughnuts? What hands more gentle and loving than Mother's?

"My mother's hands are cool and fair,
They can do anything.
Delicate mercies hide them there
Like flowers in the spring."

Granted we have noticed hands occasionally, have we really thought about them? To many of us, perhaps, they are a portion of the human frame immediately below the wrists, each consisting of a palm, four fingers, one thumb, and five fingernails; useful things, but not exceptionally important. The dictionary defines "hand," thus: "the divided and terminal extremity of the human arm, connected with the wrist." To be sure, the learned students of physiology could give us an even better definition, more technical, more complex, and equally meaningless, but would they actually help us to realize and appreciate how important our hands are to us? If by some unfortunate accident, one or both of our hands were cut off, we should soon be sensible of our deficiency. It is not necessary, however, to remove a hand to understand its value. We have only to recall some occasions when the hand or even a finger has been injured. How helpless we were, trying to manage things with only one hand. And yet, how quickly we forget, once the injury is healed!

Today, when hands are so terribly important, it seems unbelievable that so many of us never give them a thought. Just think of the tremendous numbers of people who are gaining a living by typewriting all day and of other huge numbers of skilled

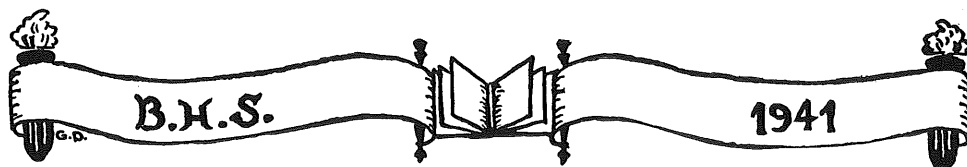

workers operating delicate machines in factories, whose work depends on the speed, expertness, and accuracy of hands. There is hardly an occupation anywhere which does not require the use of hands.

There are two groups of people who, I think, are more aware of the inestimable value of hands than any of the rest of us. They are the blind and the deaf mutes. New worlds have been opened up to these unfortunates, through their hands. The blind, with their supremely sensitive hands, may enjoy reading by the Braille system, just as you and I read with our eyes. Books and magazines are being produced in Braille form more and more extensively so that these sightless people may not miss one of life's greatest pleasures. The deaf mutes, by the language of the hands, are also enabled to live more normal lives. They can readily understand how important hands are when the smallest gesture is so significant.

In quite another field, hands play a most important role, that of capturing criminals. Since every human being is born with definite finger-tip patterns which can never be changed, and no two of which are exactly alike, a simple system of fingerprinting has been developed, a very effective and speedy method of apprehending law-breakers.

Years ago, we used to happen upon, at circuses, country fairs, and bazaars, people, gypsies or otherwise, whose profession was telling fortunes by reading the palms. We paid little attention to their extravagant prophecies of great wealth, tall, dark, and handsome heroes, and unexpected voyages. But, today, palmistry, once practiced as a parlor pastime, is gaining importance. Interpretation of character by hand analysis is approaching recognition as a science. For instance, a person who holds his fingers close together, the tips turning slightly inward, palms held toward the body is almost always a secretive person, oftentimes inclined to be stingy, whereas the person with all-revealing, open palms is usually open-natured, friendly, and generous to an inadvisable degree. Considering the finger-tips, we find that the wide, flat, spatulate type frequently belongs to one whose talents require physical work. Square, blunt tips designate executive ability, while the oval-shaped, the most beautiful, are characteristic of creative people; actors, sculptors, painters, musicians, and writers. If the finger joints are clearly defined, we recognize an intelligent person, while a clearly defined thumb joint indicates independence. We might go on for hours, analyzing individual fingers, lines, and mounts, but our time is limited. We should remember, however, that our hands are always expressive. A lively person has lively hands, a dull person, clumsy hands, a frail, sick person, fragile, reaching hands. Consequently, since our hands are so important, so expressive of our character, and subject to inspection at all times, we should never be totally oblivious of them, but realize their priceless worth, and have greater regard for one of our most precious possessions.

CLASS HISTORY

Time—Thanksgiving Day, 1960.

Characters—Barbara Links and Joseph Adajian, two old graduates of Bulkeley High School.

Scene—Living room. Barbara and Joseph are listening to the radio as the announcer describes a gallant Maroon squad fighting its annual football classic against the New Britain eleven.

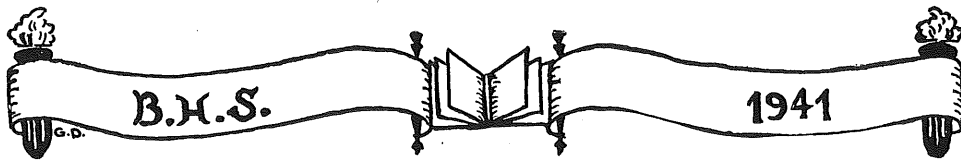

Barbara—"The boys played well today even though they were more or less swamped under. You know, Joe, meeting like this every Thanksgiving makes our youth almost live again. Wouldn't it be great if more graduate couples did the same?"

(The old man just stares and sucks in on his pipe, whose smell is unbearable to some, but sweet to thoughtful Barbara.)

Joseph—"Why, I can remember as far back as when we were freshmen. Of course, you wouldn't because you came to Bulkeley in our second year. But do you know what strikes me as queer? Well, if you will keep it a secret—*The George Blessis* didn't make the honor roll, the first marking period of our freshman year. Now that was something, but by taking the Valedictorianship I think he made up for it. Dorothy Cummings took a close second. Among others whose names frequented the honor lists were Anita Castonguay, Robert Lonsdale, Margaret Meaney, Fred Wright, and Gladys Sobol.

"As for Bulkeley athletic teams . . . , as far back as 1930, the Maroon ball-players and tracksters were very dangerous rivals for schools in the entire state—not to mention the great tennis and golf teams that set the pace. Although there were only a few in our freshman class who tried out for sports that year, Johnny Bradley in track, Bobby Allen in football, and Willie Turner in basketball made good. For the girls, the Girls' Leaders Corps and the Girls' League had much in store for our green freshman girls. Then there was the Agora, the Girls' Biology Club, and the Junior Dramatic Club, all of which opened their arms in a friendly way to our freshman girls.

"Did you know that love has no limits? What do I mean? Why just that there was just as much romance, or call it what you will, in and out of Bulkeley, in our freshman year as there was in our senior year. Yes sir, many's the time I saw Pat McCarthy and Fred Wright look admiringly at one another and wondered why . . . now I know. And who was this hysterious M. N. in Bobby's life, yes, I mean Bob Allen. This was the year when Harry Sandberg stepped out of line, and stepped out with Betty Due. Then there was Alex Pinkes, and his Ida Miller. I bet he hasn't forgotten her. We found out in our senior year just why Marion Darby

shuddered at football and basketball games. Yes, there were affairs in our freshman year, but they certainly were mixed up. The Junior Proms and Senior Receptions looked mighty distant then."

Barbara—"I guess they were. . . .but now they're just a thing of the past. Come to think of it, we've been meeting here in Hartford, on Thanksgiving, for the past. . . . oh! I don't know how many years. Then came my debut at Bulkeley. How can I ever forget that hectic first day? Now let me see. . . .yes it was on a Wednesday when I first entered those gracious portals, only to be forced back by a perpetual mob, which I later learned to be the boys and girls who were just trying to find out their session room numbers the hard way. I straightened out my dress, held up my head, and walked in again. I finally got through and was terribly surprised to find the three hundreds on the third floor. But to get away from our troubles and hearty laughter, let us try to talk about something more serious and important."

Joseph—"Well, Bob Lonsdale, Margaret Meaney, Fred Wright, George Blessis, Thomas Ritchie, and Dorothy Cummings were still making the honor roll. And if you ask me, those kids got just what they deserved. Others might have done the same, if they had studied. Now I realize that it wasn't the teachers but it was I who was out of step. But. . . .those days are gone forever."

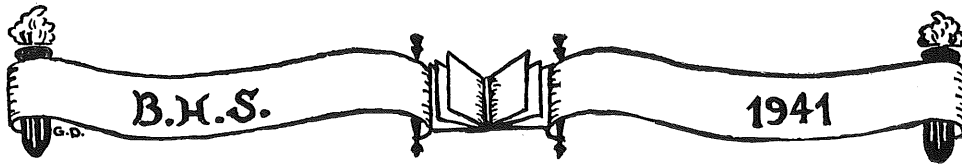

Barbara—"Remember all the lady-killers that blossomed forth in our sophomore year? Why, there were Dick Stoddard, Ronnie Jacobsen, Bob Kask, Jim Campbell, and Fred Wright. Although most of them have settled down now, a few are still loose."

Joseph—"Yes, those were the days; when boys meant everything to their girls and girls meant everything to their mothers. The Junior Dramatic Club, the Verse Speaking Choir, and the Boys' Biology Club chose many of us when we were sophomores. Sports took others of our class, and we contributed a great deal to the teams' success. John Condron, now there was a ball-player. That year nothing could hold him, a true and loyal Bulkeley student. But fate played him a dirty trick, and after that, because of a leg ailment, he was allowed to play only one game; but that game was enough proof for anyone to call him a superb football player."

Barbara—"I can remember the fun we had when the Girls' League held a kindergarten festival. Rattles, dolls, and rompers were seen as we toddled about the gym. Elaine Vander Linden had charge of the entertainment. Then along came the *Dial's* merry musical. The film, *Rose of the Rancho*, was presented and dancing followed. There were also a few specialty acts during intermission."

Joseph—"Oh, and we mustn't forget the most important event of the year, Barbara, our Junior Prom. Bill Carey was general chairman of the Prom committee and he deserves a lot of credit for his work. All the hard labor that everyone put into it was worth it because all of us juniors had a grand time."

Barbara—"What came next on our school calendar, Joe?"

Joseph—"Oh, I remember. Parents' Night was held and was a great success as the best work of the students was exhibited throughout the school after the exhibitions in the gym and auditorium. To finish up the Social Season the Student Council gave a dance which was also a success."

Barbara—"Then came our Senior year. What a grand and glorious feeling it was to say we were seniors. To start the new season off the Girls' League held a novel circus party for all the new girls in Bulkeley. The party was planned by the officers of the club. Elections in Bulkeley's many clubs then began. Among them the Student Council elected for their president, John Watts; vice-president, George Blessis; secretary, June Evans; treasurer, John Pierce."

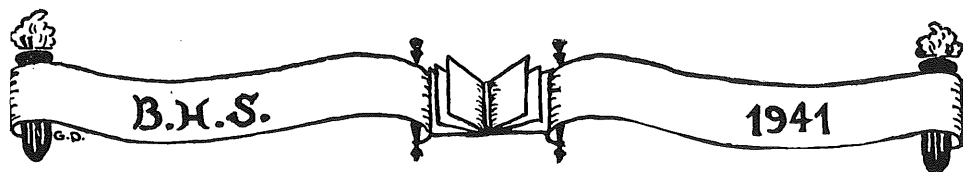

Joseph—"And then came our first event of the year. The Girls' League and Boys' Club sponsored their annual dance with Margaret Meaney and Robert Allen acting as co-chairmen. Our class was just getting accustomed to the wonderful feeling of being seniors when everyone was disturbed by a terrifying monster. This invader was none other than the tractor and hoist used in the building of Bulkeley's new machine shop."

Barbara—"Among some of the other things that went on was the successful drive of the Student Activity plan, the Girls' League Hallowe'en Party, National Book Week, to which many of our thrifty classmates contributed, and the *Dial's* first appearance under the capable direction of Margaret Meaney and Eileen McGuire."

Joseph—"At the first meeting for 1940-41 of the Boys' Club, Coach Allen, Coach Dan Jessee of Trinity College, and Dr. Feingold were speakers. Mr. Fellows then presented some movies of the Dartmouth, Princeton, and Yale teams. Refreshments were served and we all had a good time. Then came *Torch Night* which presented a gay college comedy. If I remember rightly, the characters in the show itself were Doris Bronson, Joe Fannelli, Jimmy Kinsella, Bernie McMahon, Billy Nelson, and John Shea. There were also many specialty numbers. Dancing was held after the show and everything was a big success. A large crowd of about 900 attended."

Barbara—"Then the officers of the Honor Society were elected. George Blessis was made president; Fred Wright, vice-president; Anna Roberts, secretary; and Ernest Brodeur, treasurer. Then the annual Mother-Daughter Tea was given by the Girls' League and the Editorial and Business Boards of the Class Book were chosen. The last gala event of the semester—*Dial Night*—was given. It consisted of a floor show, dance, door prize, and refreshments. Jimmy Kinsella acted as Master of Ceremonies, while Sheldon Mann, general chairman, was assisted by Margaret Meaney, Eileen McGuire, and Margaret Vedder."

Joseph—"The Senior Dramatic Club presented *What a Life*, which was a lively comedy concerning the antics of the well-known Henry Aldrich. Elaine Vander Linden and Harry Sandberg had the leading roles, while the main members of the

supporting cast included Fred Wright, Hurley Boazman, John Conrad, Nancy Martocci, and Bert Ibelle. After this there was a semi-formal dance, wasn't there, Barbara?"

Barbara—"Yes. The Girls' League opened the winter social season with a dance that was very successful. About 165 couples attended. Then Elaine Vander Linden was chosen to represent Bulkeley in the State D. A. R. contest, Arthur Keefe was promoted to managing editor of the *Torch*, Bernard McMahon acted with Paul Gibilisco as the *Torch* co-editor, and a gala dance was given by the Commercial Club. The winners in the American Legion Oratorical contest were none other than our two great orators Otis and Louis Levy. Otis won first place and Louis came in third. The annual Girls' Leaders Corps dance was held on George Washington's birthday and the gym was transformed into a gay, happy, and colorful night club. The committees were under the able direction of Lorain Yates, Marion Darby, Doris Bronson, Elaine Vander Linden, and Doris Stoddard."

Joseph—"The Senior Dramatic Club then presented the thrilling melodrama, *Pure as the Driven Snow*; or *A Working Girl's Secret*. High collars, checked suits, and narrow pants were the style in this thrilling spectacle. The leading parts were played by Agnes Turn, Bert Ibelle, and Fred Wright. Local color and humor were offered by Melvin Smith, Margaret Vedder, Harry Sandberg, and Vivian Golden. Soon after, the Verse Speaking Choir gave a novel recital which everyone seemed to enjoy."

Barbara—"The Girls' League then held their annual gathering of fathers and daughters. Refreshments were served and entertainment was provided."

Joseph—"Do you remember when the Glee Clubs and Orchestra presented their modern operetta, *Hollywood Extra*? Everyone that came had a gay and musical evening and the operetta was a huge success."

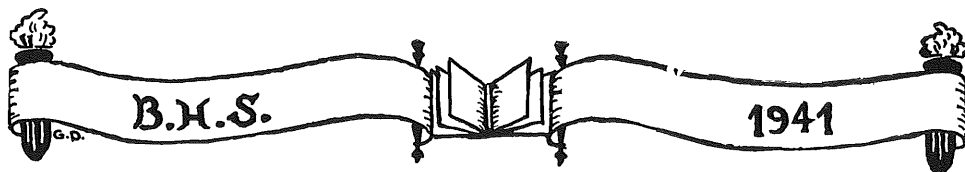

Barbara—"Our senior year was pretty near a close then, but of course, we can't forget the last school-wide dance which the Student Council gave. Jack Watts was in charge and it was a pleasant evening for all who attended. Of course, that doesn't mean that our senior year was over because we still had our senior reception and other senior exercises."

Joseph—"You know what, Barbara? The more I think of our high school days, the more I wish I could live them all over again."

Barbara—"I feel the same way, Joe. They certainly were four grand years!"

(As the two old people sit and dream, the curtain falls.)

CLASS PROPHECY

PARENTS' NIGHT, Bulkeley High School, 1964!

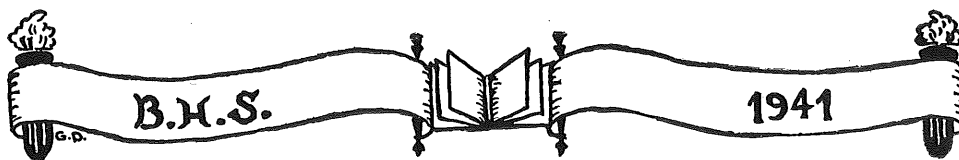

The parents, who have been invited as usual to meet their children's teachers, are crowding the halls, making as much noise as they used to back in 1941 when they were seniors.

There goes Otis Levy, stage manager of the *Al Lizzi Follies*, playing currently at the State. He is dragging Otis, Junior, up to Mr. Costello to inquire why Junior didn't get an "A" in English after composing this awe-inspiring poem:

"Ah, Spring! Ah, Spring!
De boid is on de wing!—
How Absoid!
De wing is on de boid!"

And there is *Bob Kask* and *Jane Fagan Kask* with all the little Kasks rolling after him. My, what a grand crop! Bob is now head of a swanky golf-driving range. *Jane Roberts* is causing quite a stir trying to make a political speech in the auditorium. Her slogan is "Get a job—vote for *Rob(erts)*." Jane is backed by the *Gibson Music Company*, which is publishing her campaign song, "Pass the Biscuits, Mammy." Oh, oh—here come *Tiller* and out goes Jane with her soap box. But he's just an old Democrat anyway. Some extravagant person has dropped a penny in the hall and there is a great free-for-all amongst Scotchmen *Carman*, *Hynd*, and *Campbell*. *Eldon Turner*, the old bachelor, is seen towering over (we mean under) his nephew, *Willie, Jr.* The former *Pat McCarthy*, accompanied by daughter *Slugger*, is now matchmaker for a women's traveling wrestling show. Are those nails the *Slugger* is chewing? Oh, I see, she needs some iron in her blood! Here comes *Charlie Hickey* with his batch of trained Mexican Jumping Beans, and with them are Mr. and Mrs. *Bill Galligan* and their jumping beans, we mean their children. *George Blessis*, Senior, is heading straight for the Physics teacher of George, Jr. It seems that George, Junior, wrote a very learned paper discounting Einstein's Theory of Relativity. Since it was too deep for the teacher, he received an "F." We suspect, however, that George, Senior, wrote it himself.

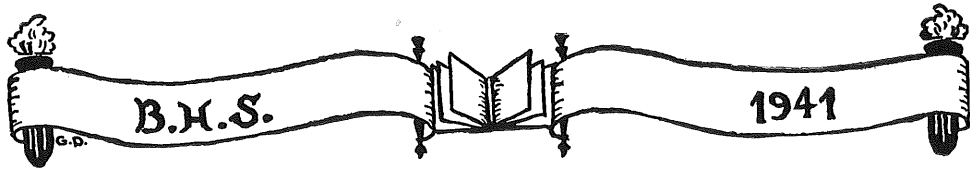

Countess *Elaine Vander Linden*, who married a count, and her little daughter, Elaine, are entertaining in the lobby by doing a "Baby Snooks and Little Sister" act. They are now appearing as a specialty number in the "Hurley Boazman Scandals." *Ernest Brodeur*, president of the "Ketch-your-man" Shampoo and Wave Set Company, is present with wife *Rosemarie*. Ernie can vouchsafe the quality of his product since that's the means whereby Mrs. Brodeur hooked him. *Julie McCormack*, who appears from behind a pillar, is now occupied in tuning baby pianos for a local department

store. Mr. *Jonathan Pierce*, noted musician, statesman, dishwasher, and author of the popular novel, "When the Bough Breaks, the Cradle Will Fall," has just walked by with his customary dignified air. Lion-tamer, *Francis Aherne*, is bringing two of his cats into the lobby, which is emptied in a flash until the *Joyce* sisters, *Rosemary* and *Franny*, take off their lion costumes. I'll bet it was fun to tame them! Rosemary and Franny, however, have not escaped from the "*Joe D. and Joe F. Circus*" as did *Sheldon Mann* and his son, who, when in costume of course, are, respectively, Fatso the Fat Lady and Fatstuff her daughter. By paying the admission fee you not only can see the former, but also *Agnes Turn* swinging through the air with the greatest of ease on her flying trapeze. *Joe Fogarty*, *Bob Allen*, and *Paul Klapprodt* are the three wild men from Borneo in the same show. *Dick Porteus* is back at the old *Alma Mater*. Dick is now head coach of Panzie Institute for the Blind; you know he was graduated from Goonsville Sub-Normal with lowest honors. There goes *Charlie McGinnis*, who is starting a drive for relief of the British—he must think the war is still on. *Johnny Bradley* is conducting a "Run for Your Health" school.

Well, well, here comes *Arthur Keefe*. He has become baldheaded since he has been presiding as judge in the Court of Domestic Relations; but Arthur likes his job, for he meets all his former classmates in connection with his work. *Paul Gibilisco*, who rebuilt the leaning tower of Pisa after it was destroyed in the second world war, has just completed a pontoon bridge across the B. H. S. fish pond. His son, Paul, Junior, is following in his father's footsteps by playing in mud puddles. *Melvin Smith* is responsible for the modernizing of the backyard. Improvements include *Ensling's* "Sudden Death" automatic fly catcher, *Moralle's* dispenser machine which aids *Robert Lonsdale* by selling his vitamin pills at one cent each to help the girls stand gym class, and, finally, *Stoddard's* chloroform liniment to relieve those after-gym aching muscles. The former *Doris Bronson* up in front of us is heard complaining about Doris, her little daughter. Says Doris, senior, "I graduated from Bulkeley magna cum laude!" Whereupon her little daughter chimes in "I'm going to graduate mirabile dictu and magno cum gaudio." The promising daughters of the former *Loretta Knurek*, *Bea Goulet*, and *Julia Burke* are all doing a rushing business selling kisses at a dime each to help buy a new movie projector and public-speaking system for the auditorium. It's about time the old one was replaced. We won't mention any names, but there's a pickpocket amongst the crowd—how some people change in twenty-three years!

Joe DeMaio and *Jimmie Kinsella* are avoiding each other, for they are rivals now. Joe advertises the "*Eleanor Emmanuel Atlas Pills*" and Jimmie advertises the "*Lillian Fischer Midget Pills*." "*Mouse*" *Croce*, one of the 1941 track stars, didn't turn out to be such a good runner after all, for some lucky girl caught up with him right after graduation. He's here tonight not as a proud parent, but rather as a member of the school board. We'd better warn "*Mouse*" that *Harry Sandberg, II*, *John Scanlon, II*, and the tomboy daughters of the former *June Evans*, *Eileen*

McGuire, and *Barbara Links* are lying in wait after the event to beat up the school board for extending the school day until two o'clock. Brenda and Cobina are still around looking over the bachelors—watch *Jack Bartman* and *John Horan* run! *Carl Josephson*, Jr., is exhibiting a ribbon won for hitting a baseball over the fence at Bulkeley Stadium during the Bulkeley High vs. Yale University game. Ribbons are given now instead of medals because the silver formerly used in medals is needed to fill teeth, since Miss Kelly's campaign was so *very* successful. *Rita Jalbert*, who is now a teacher at Bulkeley, has trouble with two of her students. *Allan Welsh*, Jr. blushes every time she calls on him, but *Dapper Coyne*, Jr., every time he is told to stay after school for punishment, winks at her and says, "O. K. Cutie! It's a date!"

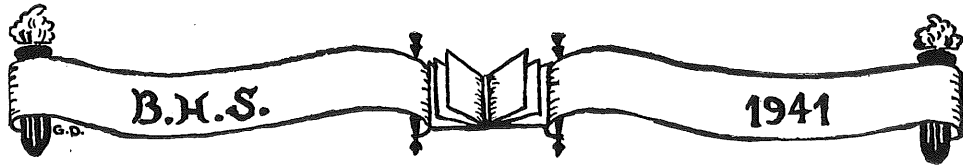

Lorain Yates, who draws the daily comic strip, "Dogpatch Days," has no more interest in Bulkeley, but came to get some ideas from real life for her column. *Claire Laroche* is still hitting high C's and doing it very well. She trains on *Marcella Brand* birdseed. The former *Alma Kent*, writer of "Scandalous Scraps," is on hand just to write this event. Alma, Jr., writes the "School Drool" column for the *Torch*. (Boy, we can't wait to see our names in print!) The former *Kay Keller* is here with Lois, Jr. They run the clothing store whose motto is "Dress better with Keller." Here comes *Jack Ryan*, who now works for the *Elton Harvey* Jewelry Company. He has a unique occupation indeed, that of boring the holes in the pearls that are to be strung. My, but Jack, Jr., is a handsome little fellow, just like his father—full of those gorilla instincts! *Barbara McGarvey*, for the third time a widow, is now employed by the *S. Herkimer Seiple* Coffee Shoppe. *Joe Adajian* is proprietor of a high-class "chow joint" on Ridge Road. Little Arshag is an extraordinary spaghetti twirler. *Kevin Vaughan* has finally put his super-deluxe sleeping tablet on the market. It is called "Vaughan's Special Snoozer." His sales slogan is as follows:

"If you can't get to sleep,
Don't let out a peep.
Be a wise chooser—
Get Vaughan's Special Snoozer!"

James Rafferty is now running a banana boat between South America and South Bend, Indiana. *Bill Carey* dug the famous underground canal from the Atlantic Ocean to South Bend. *Margaret Meaney*, who runs Wright's Kitten Farm, is also present. In the biology laboratory we heard a "meow" from under Margaret's coat and pretty soon one of the rats being used in an experiment had been masticated. (Now we know how Margaret cuts down on the food expenses of her farm.)

Well, we think *this* Parents' Night has been a *howling* success bringing all these grads back to their old haunts. We just hope those kids don't get hold of the school board members!

CLASS WILL

(Harry Sandberg reads:)

T is a cold blizzardy night; the cool, white snowflakes are piling up higher and higher; the temperature must be well below zero. Ah, a warm glow from a crackling fire is shining ahead in a far-off window of a well-known high school. Behind this window, beside this cheery fire, an aged man sits, looking quite contented as though he has led a very eventful and happy life. Lo and behold! It's the spirit of the Class of 1941 of Bulkeley High School! Let's step in and escape this freezing weather, shall we?

The Spirit of '41 seems to know that his time is soon to end in the world of B. H. S., and he has called his secretary to his side to reread his last will. Just close your eyes (but not for too long), relax, and listen.

(Alma Kent, the Secretary, reads:)

We, the Class of 1941 of Bulkeley High School, being like any past class, and as far as we have been able to tell, of sound mind and good health, do willingly, and in some cases over-joyously, bestow, bequeath, leave, will, present, et cetera, some of our most appreciated, and some of our most de-preciated possessions to the following benefactors:

To Dr. Feingold we leave our deepest gratitude for his personal interest in our welfare, his kindness, and wise counsel.

To Miss Dargan, Mr. Fellows, Miss Wheeler, and Miss Frauer we leave our sincerest appreciation for all they have done for us during our stay at Bulkeley.

To Mr. Denslow and Tiller we leave the building which we hope they will find somewhat quieter after our departure.

We wish we could take Miss Markman in the office along with us to help in our later difficulties, but we leave her to all future seniors. (Isn't Rose lucky to have her around at home?)

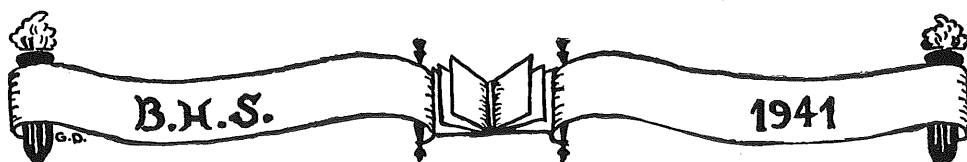

Vic Dowling leaves his "wink" to some lucky junior who has not yet learned the way to win the girls' hearts.

Jack Pierce leaves his records in track to prove to the freshmen they can get to classes on time.

Barbara Links leaves Maxine Williamson to take her place in everyone's heart.

Dorothy Cummings and Gwendolyn Deabler each leave a little of their quiet manner to Liz O'Connell.

Ernie Brodeur leaves to join Rosemary Munson.

Shirley Griffin doesn't want to leave anything, but she should remember that "you can't take it with you."

Tom Yacavone leaves behind him the many hours that he spent catching up on lost sleep.

To Miss Neal, we leave this book.

Jack Ryan bestows his title as an "all-around swell kid" to Bert Ibelle.

We tried to have George Blessis pose for a statue to leave as an adornment for the lawn, but he's too bashful.

Dave Killian leaves, free to join his HPHS pals.

Johnny Bradley leaves the secret of beautiful eyes to Maybelline.

Joe Adajian leaves his pleasant-sounding voice to Mr. Coons in case he should ever get mad.

Claire Laroche leaves her melodious voice to Kate Smith.

Robert Wolff leaves one of his many speeches, "Why There Should Be Escalators and Revolving Doors in Bulkeley," to be finished by Robert Healy.

Nancy Howat and Margaret Mulholland leave their nonchalance and ability to get into trouble to some poor unfortunate.

Mann & Lizzi Company leave all their secrets on good campaigning, advertising, and publicity to Anderson & Baker, Incorporated.

Judy Ritchie, Carolyn Argenta, and Virginia Chipman leave the second floor.

To both Mr. Hart and Mr. O'Leary, we leave a pair of slippers and a footstool so they will be comfortable during one of their many "fireside" chats.

Helen Kelleher leaves her sophomore modern history class to carry on without her.

Bob Allen leaves the management of the football team, the handling of the basketball team, and the instructing of all other sports to his father—you know, the coach.

The *Torch* typists—Carolyn Uttenweiler, Barbara Hickey, Natalie Lynch, Theresa Faillace, Louise Vona, and Eleanor Emmanuel—leave all their dirty work to next year's workers.

Jack Watts leaves his popularity with everybody and his place on the football squad to John Tomalonis.

Tommy Kotowsky leaves his shorthand class and Miss Manley a copy of "The Art of Mastering Shorthand."

Julie McCormack leaves her original one-and-only strut to Connie Zaleski.

Charles Hickey and Johnny Newell leave Mr. Wilson a piggy bank to put all his nickels and dimes in.

Natalie Torchinsky bestows upon Elizabeth Hatch her title of most oratorical.

Julia Denerich leaves her happy-go-luckiness to next year's seniors to remember before their monthly tests.

Barbara Erskine leaves her ever-present green pocketbook to be used as part of the decorations during the Christmas season in future years.

Joe Granato leaves Miss Quinterro and Room 114 in the peace they knew before Joe entered upon them with his many pranks.

Herb Coyne leaves his boogy-woogy stretching exercises to the Firestone Rubber Company.

Paul Gibilisco leaves the rest of his Carter's Little Liver Pills to next year's *Torch* editor.

Lorraine Andersen is presenting the school with oriental rugs to be laid through all the corridors, so that the sound of future clanking heels cannot be heard, as hers always were.

Margaret Meaney bequeaths to Rita Fortin her willingness to help anyone at any time.

Bernie McMahon leaves his cheery spirits to keep the home fires burning in the lobby fireplace.

Art Keefe leaves Eddie Doyle a package of Band-Aid bandages, just in case he has any more accidents.

"... That is all you have, sir, shall I..."

Spirit of '41 (Harry incognito)—Wait—(*thoughtfully*), I'd like to add a few things more (*and he reads*):

Rosemary Joyce leaves her glamour and dark hair to Mary Tamiso.

"Fritz" Mooney transmits her title as the best dressed to Lorrain Jaworski and Frances Arman, who, incidentally, can fight it out between themselves next year.

Paul Klapprodt leaves the wave in his hair to the Atlantic Ocean.

"Stu" Begg leaves his brother behind.

Helen Drakos and Bill Drakos leave all their French translations to someone not so fluent in French as they.

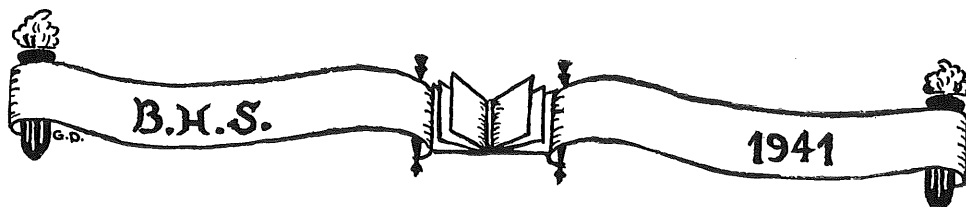

Will! Will!! Willie Turner leaves one foot—that is, about twelve inches—of his height to be divided among the needy freshmen. Boy, do they need it!

Carl Bolin leaves his unfinished English notebook, and Julie Burke, her *Burke's* (no relation, thank you) *Conciliation* in a safe place.

Loretta Knurek and Eleanor Megaro leave their places on the cheerleaders' squad to Marge Preissner and Phyllis Grogan.

Agnes Turn and Frances Joyce leave all the dance acts in future B. H. S. shows to Regina Meegan.

Jack Bartman leaves the printing room to John Blessis.

Margaret Vedder leaves her patience to Miss Francis.

Jean Ryan leaves her often-heard chuckle to Jean Donahue.

Rita Jalbert leaves the *Torch* room and second lunch with deepest sadness to Bernyce.

While other classes have left Mr. Cocks various things like twelve curlers, fifteen pieces of hair, and so forth, we, the Class of 1941, leave Mr. Cocks in peace and take him back to his college days saying, "Goodbye, Curley."

Barbara Garry and Lil Williams leave the home Ec room to any NYA worker next year who wants it.

George Zwicker, Bob Lonsdale, and Vivian Golden request that their table in the library be set aside for future triangles.

Louise Fowler and Loretta Fagan each leave one dimple to Carolyn Hill.

Jimmy Campbell leaves his intelligence to the dumb-bells in the gym.

Jimmy Ray leaves... the junior class.

The *Dial* typists—Anne Ahern, Adeline Caruso, Margaret Martin, Helen Mazurek, and Shirley McCarthy—leave a neat pile of unused manuscripts to be used "in case of fire."

Sidney Morrall bequeaths his sophisticated airs and bow ties to Bert Morency.

Doris Bronson bestows her fame and good looks upon Jane Stevens.

Joe DeLorenzo and Joe Fanelli leave a box of Parodi cigars to all the male members of the faculty.

Joyce Murphy leaves her individual little manners and cheerfulness to Marie Battaline.

Marion Darby and Dick Porteus leave, hand-in-hand.

Jimmy Kinsella leaves his fingerprints on all the school's pianos, and also a pair of ivory keys.

Elaine Vander Linden leaves her wit and knack of being able to get along with everyone and her personality and her—well, in other words, she leaves Claire McGuire to take over where she left off.

We leave the new manual training building without having had much privilege of using it.

"Count" Rinaldi bestows his title with the greatest of pleasure upon any boy in the next senior class who wants it.

Lorain Yates leaves a few copies of her sketches to the B. H. S. posterity to remember her by—as if they wouldn't.

"Bud" Harvey leaves his gaudy red suspenders to Wilson Barry, who needs something to tie him down.

Melvin Smith leaves his red hair to Phyllis Greaney.

Doris and Donald leave the good name of Stoddard to be carried on faithfully by their sister Lola.

Hurley Boazman wills his copy of "How to Win Friends and Influence People" to anyone who wants it.

Sheila Vaughan leaves the fog she is usually walking in, to the junior class to dim the brilliancy of some of its brighter members.

Eldon Turner leaves his car to the WPA to be used as a cement mixer.

"Superman" Pardi leaves his set of plastic muscles to the weak boys of the school.

Stanley Seiple leaves the "bull" he is usually throwing to the United States Treasury Department to be put on nickels.

Lillian Ensling leaves her French class snacks of peanut butter and Ritz to Carmen Morelli, who will surely appreciate them.

Tom Ritchie and Bohdan Danyliw leave with a warning to all future senior treasurers that it's lots and lots of work.

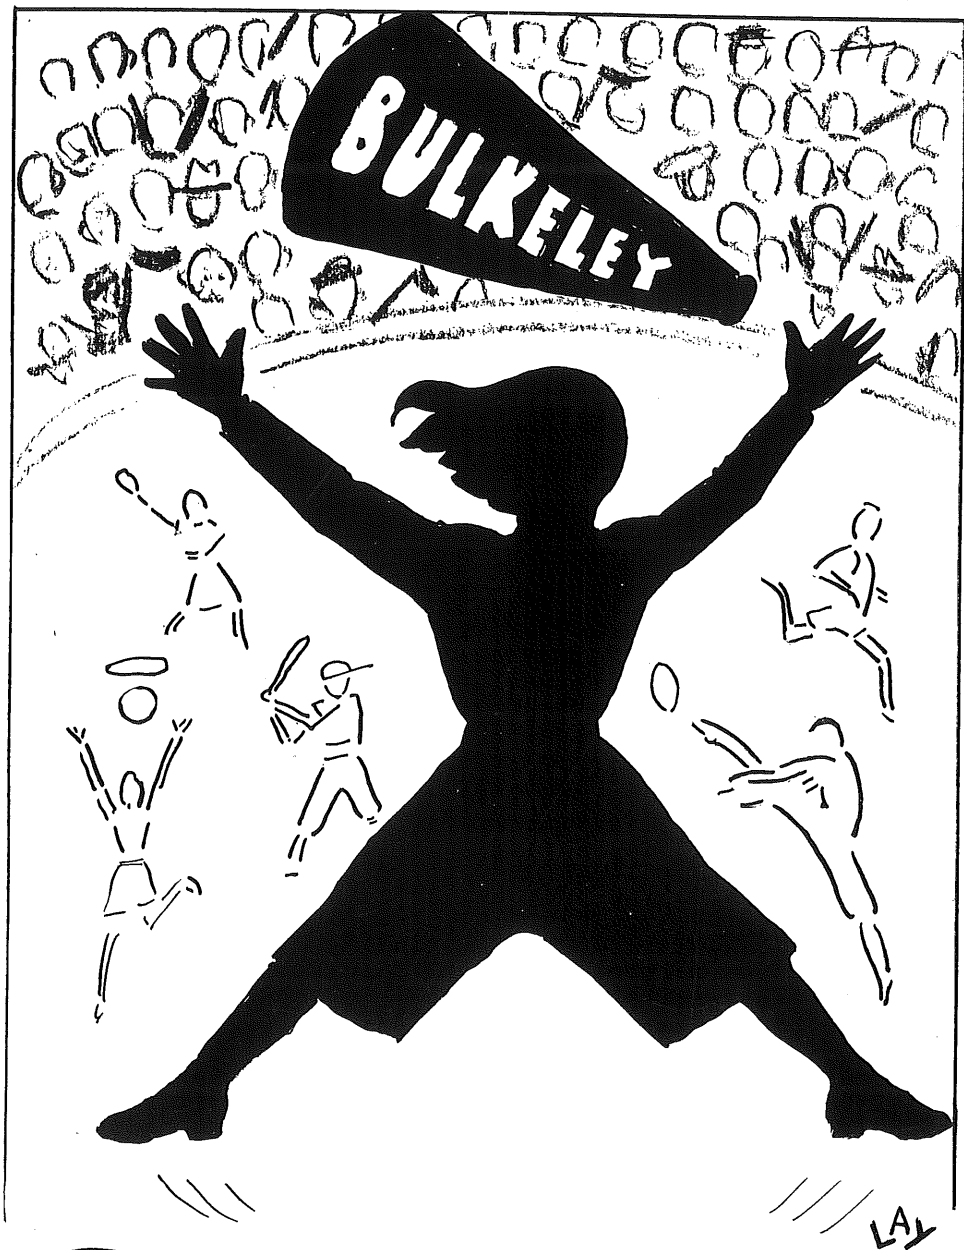

Allan Welsh leaves his quietness to Billy Wilcox, who could stand a bit.
(*Here Alma takes over—*)

It may also be added that we are not responsible for any of the foregone legacies not claimed by the benefactors within thirty days.

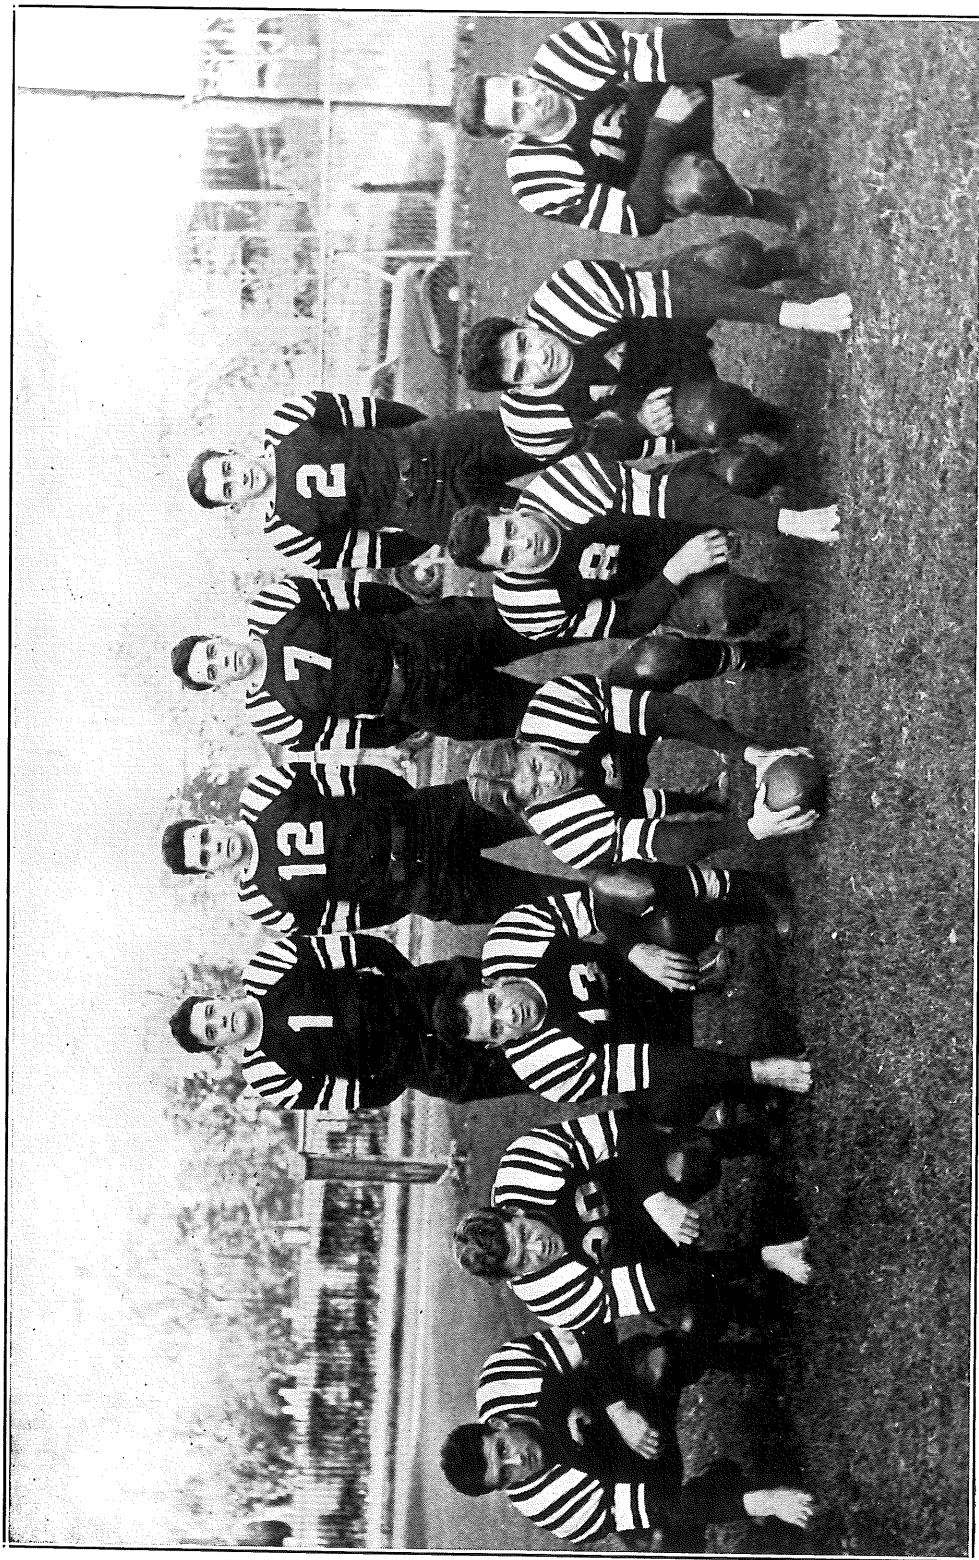

Having presented this Will in the presence of sufficient witnesses, we, the Testator and Testatrix, do sign, seal, publish, and declare, on this day, June 18, 1941 (yes, we said it was snowing, but anything can happen in Bulkeley), this to be the Last Will and Testament of the Class of 1941.

THE FOOTBALL TEAM

FOOTBALL

After a rather dismal start, the Maroon football tornado gathered momentum with each succeeding battle until it had acquired the city title by virtue of its slashing triumph over a strong Weaver array, thus dethroning the Green. In the initial encounter, "Babe" Allen's charges succumbed to a potent West Haven outfit, 19-0, in what was a game of bad breaks. Had Dame Fortune smiled ever so slightly on our lads, the outcome would have been entirely different.

On the heels of this upset, the Allenmen were tied by a supposedly weak Hartford High team, 7-7, bad breaks again being the deciding factor. Following this came the stalemate with New Haven Hillhouse, 0-0. The Maroon warriors completely outplayed their downstate rivals throughout, but lost the ball on the opponents' five-yard line in the only scoring threat of the game, when victory seemed to be staring them in the face.

The ill-fated Bulkeley pigskinners dropped a heart-breaker to a great West Hartford combine, 7-6. After a long-sustained march, the Allenmen were deprived of the winning touchdown when the half-time gun sounded with the ball in Bulkeley's hands on the Hall three-yard line, first and goal to go. Another scoring attempt was thwarted in the final canter by a pass interception.

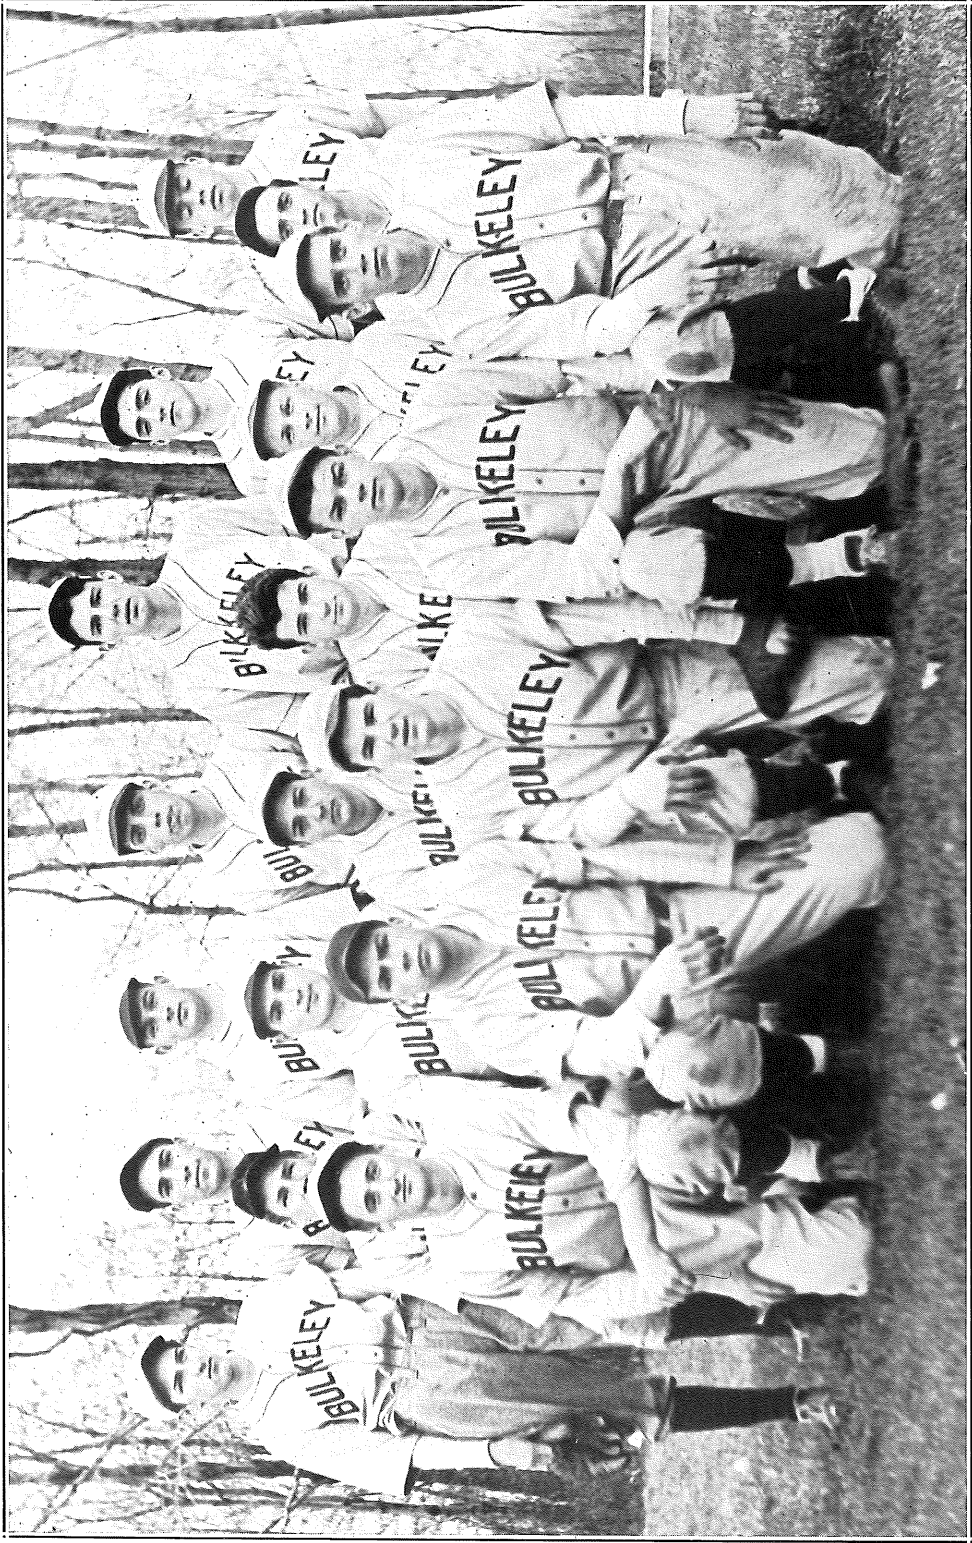

The Maroons then traveled to the Whaling City to tackle New London Bulkeley. Striking with lightning force and rapidity, the Allenmen crushed their opponents under a tremendous barrage of touchdowns, 26-6. They had, at last, hit the winning trail which had eluded them so long.

After a breath-taking opening period drive by Weaver, the Maroon juggernaut rolled over the huge Northenders to the tune of 22-13, thus ending Weaver's reign in the gridiron throne room.

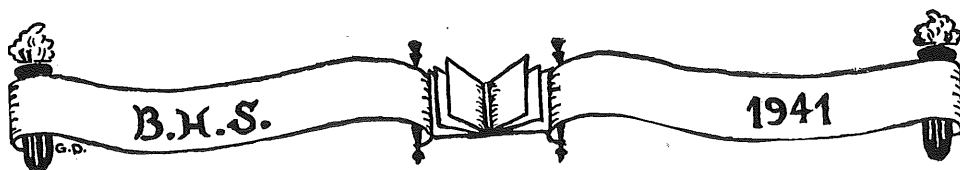

Manchester proved a more dogged opponent, but was finally stopped in a bruising battle, 6-0. The Maroon winning streak had now reached three straight triumphs, and the boys were primed for the titanic struggle coming up with the annual state championship Red and Gold New Britain High powerhouse.

In that memorable "Turkey Day" fiesta, the Maroon invaders, nearly swept off their feet by the onrush of the New Britain machine in the opening period, came roaring back and battled their way to the Sheaman's nine-yard line. In a desperate situation a pass play was called, and with a Maroon-clad player loose in the end zone, the ball was thrown to him, clutched for a brief second—and then dropped. This was the most tense moment of the whole football season, as Bulkeley had scored but once in all the previous engagements, and this writer still believes that if that ball had been caught, the Bulkeley warriors would have gone on to secure their most glorious victory in the past decade. The final score was 13-0.

The team was sparked by All-State End Dick Kelly, a truly great athlete, and Captain Jack Watts, a really inspirational leader. Other line standouts in the star-

studded cast were Center Bob Kask, Tackles "Shark" Ferreri, "Red" Kinsella, and Joe Adajian; Guards Captain-Elect John Tomalonis, George Pardi, and little "Babe" Capobianco; and Ends John Barry, "Dapper" Coyne, and "Chick" Sposito. In the backfield were Bob Allen, Fran Kelly, Dick Porteus, Tony Tomarro, and "Meatball" Vasquenza.

Hats off to a great team and a great coach!

BASEBALL

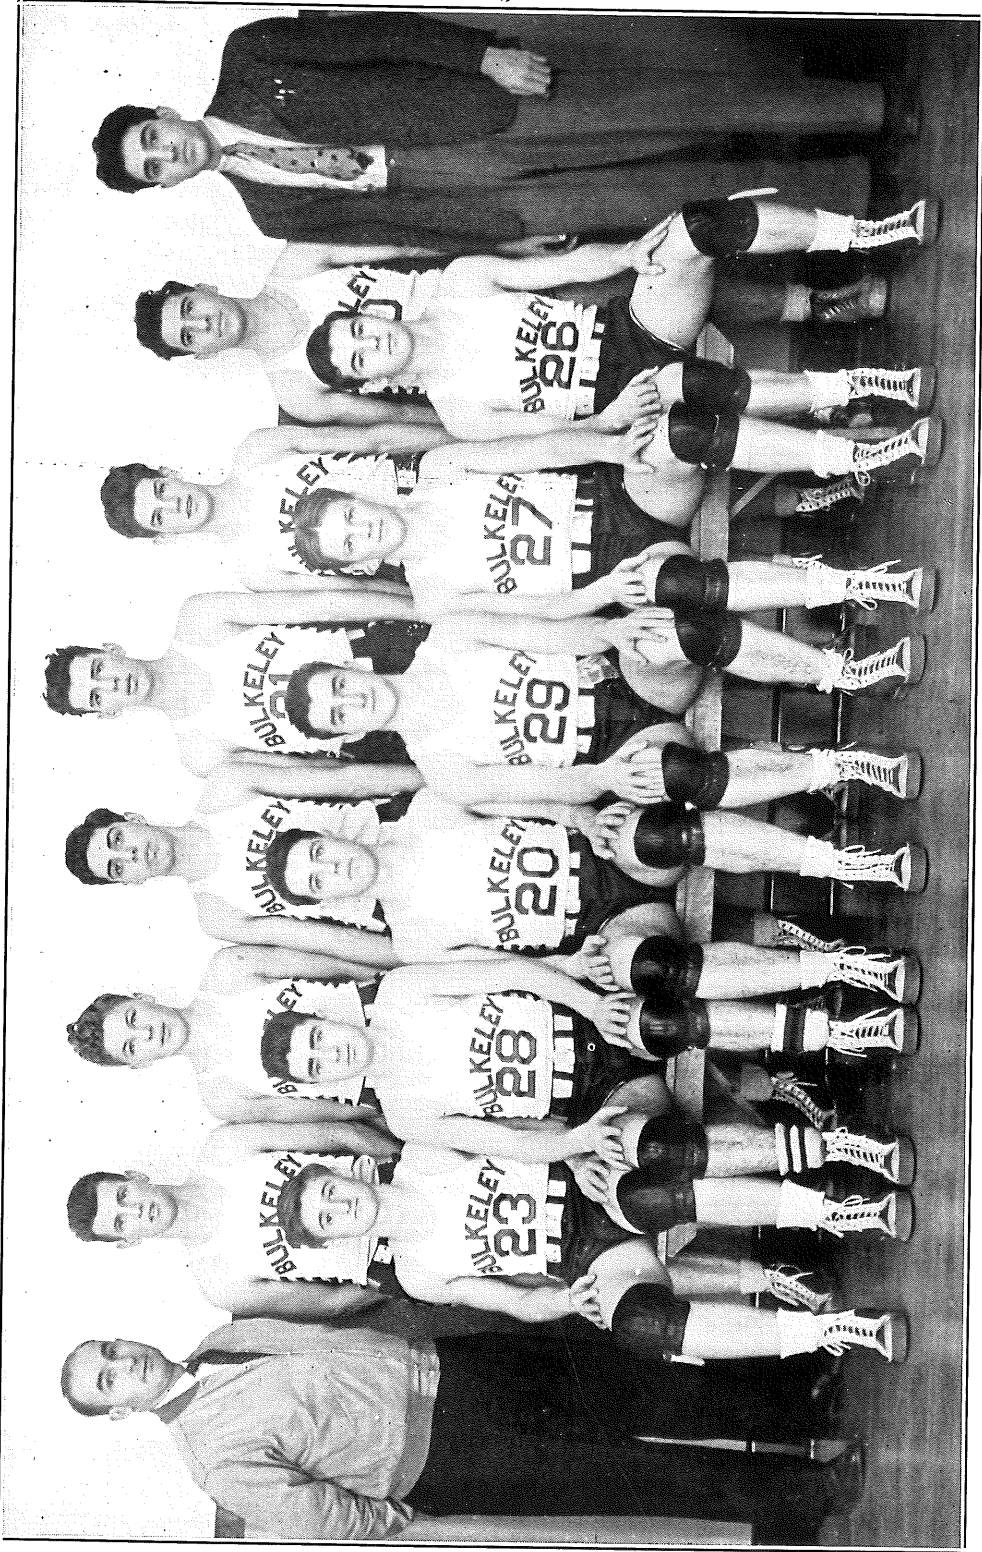

The Maroon diamond forces, after taking easy early season victories from New Britain and East Hartford, were pushed out of a city championship game by a powerful Hartford High squad. A heavy-hitting club at times, the Allenmen failed to unleash their full bombardment in the crucial battles, until the second Hartford High game which we won 9 to 8 in the eleventh inning on Ferrari's timely single.

The run-making department was headed by Bob Kask, Bill Connelly, and "Babe" Capobianco, while sophomore Smith, and Ramsey were defensive stalwarts. "Babe" Capobianco was the first-string man behind the mask, while lanky Willie Turner did reserve duty. The keystone combination found Al Giansanti and Jack Ramsey at second and short, respectively, while the rest of the infield was filled out by Smith at the initial sack and Connelly at the hot corner.

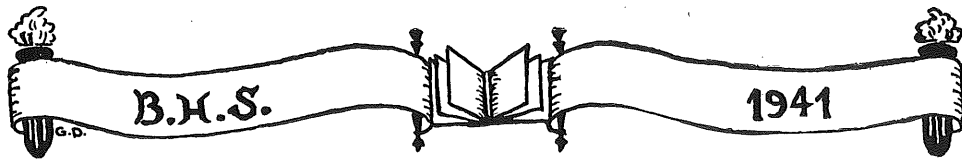

The outfield found Bob Kask roaming in left, Paul Conforto in center, and "Shark" Ferreri in right. The mound corps consisted mainly of "Greek" Pappageorge, Plasse, and "Red" Blesso.

THE BASKETBALL TEAM

BASKETBALL

The Maroon basketball squad added the second city title garnered by the Class of 1941 as it ended a highly successful court season with a final record of thirteen triumphs against only three setbacks. This smooth-working, fast-passing, accurate-shooting team ground out convincing verdicts in the first two encounters by trimming West Haven and New Britain, 38-27 and 38-22, respectively. The team was touted as one of the top-notch outfits of the state until it received a severe setback at the hands of a jinx New Haven Hillhouse aggregation, 30-23, in the third game of the season.

The team regained its stride, however, and along with it, its lost prestige, as the boys rang up impressive victories over their next ten opponents, possibly hitting their peak against East Hartford and New Britain. They started the ball rolling by whipping West Haven for the second time, 42-35. Then came a real test in the big Green five from Weaver, but the Allenmen proved superior to the tune of 27-23.

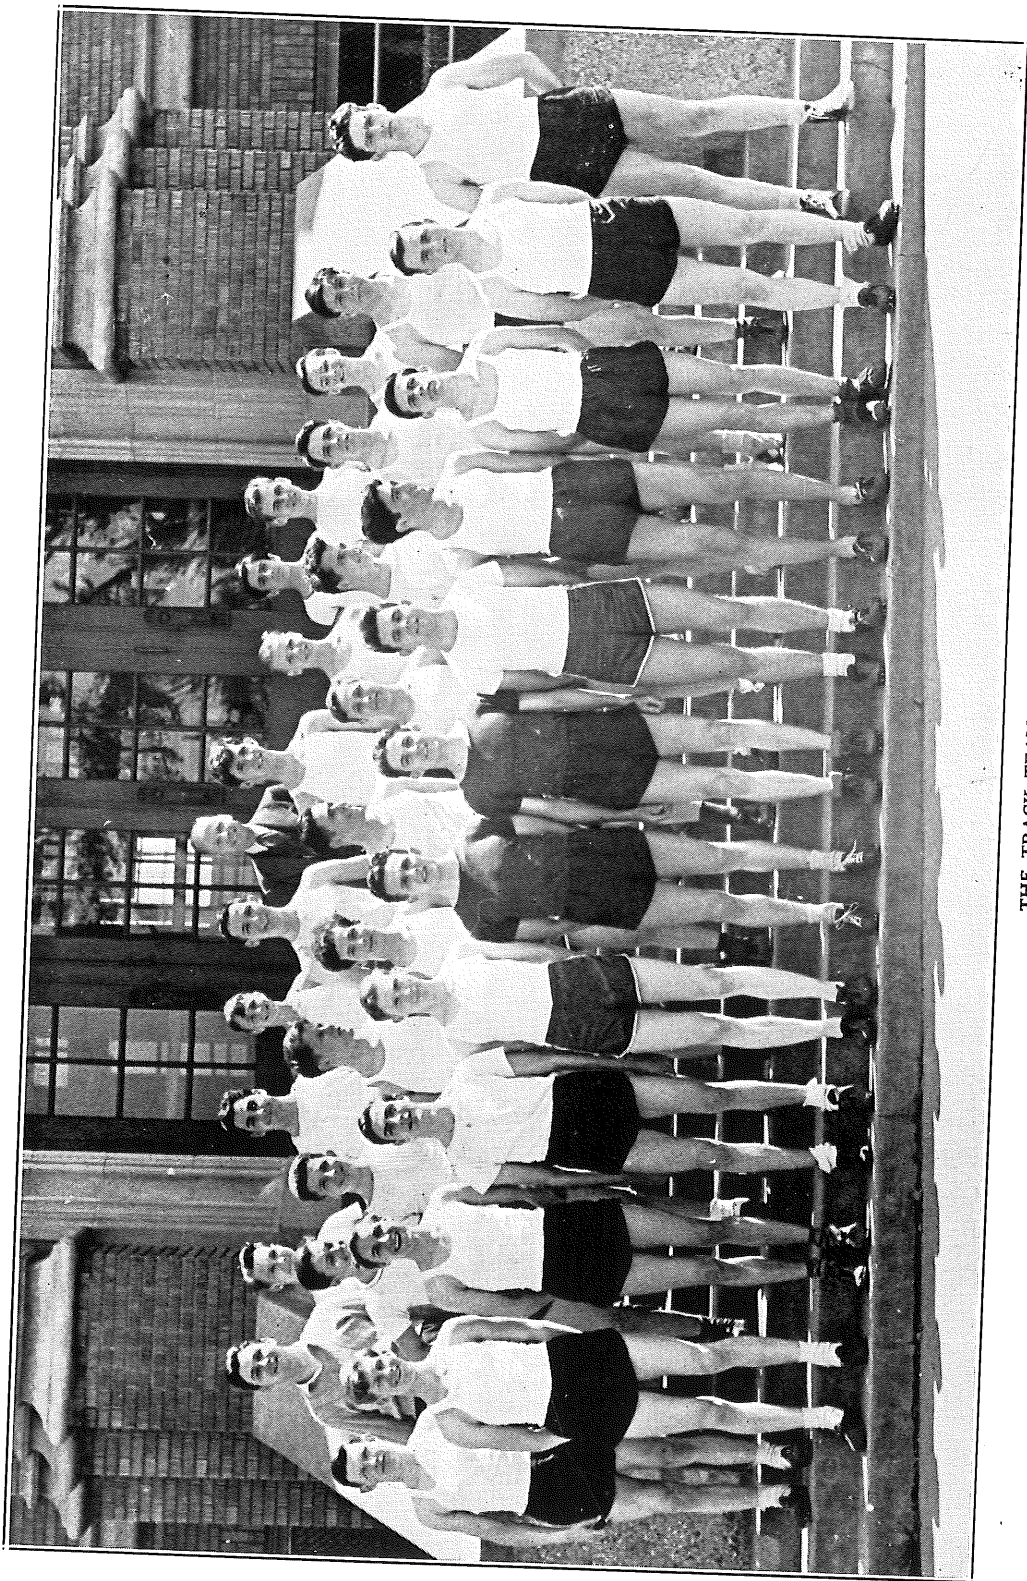

In these next two battles the Maroons swished the cords for an even 50 points a game while limiting the opposition, East Hartford and New Britain, to a meager 23 and 36. Following this came the rout of a weak Meriden squad, 42-24. On the heels of this triumph was the thrilling comeback against an up-and-coming Hartford High quintet, 34-31.

West Hartford and Meriden were the next victims of the devastating Maroon onslaught, being subdued by 44-36 and 47-33 counts. With State tournament time rapidly approaching, the Allenmen were considered to be ranked among the four top teams in the state, and victories over Weaver and East Hartford by 39-20 and 39-18 scores boosted their stock tremendously.

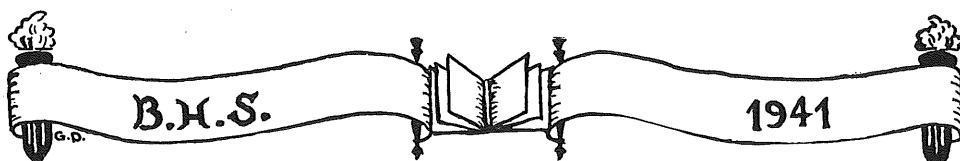

Then came the jinx team—Hillhouse. The Maroons, after being on the long end of the score in their last ten engagements, had their hopes rudely shattered by the aggressive downstate array, 35-32, for their second defeat of the campaign. But the Bulkeley tornado returned to smite Hartford High into the dust by an overwhelming 45-25 count.

With a record of thirteen triumphs and two setbacks, the Maroons entered the State tournament at New Haven with the rank of sixth. As a playdown opponent, the Allenmen drew a supposedly weak but really powerful Waterbury Wilby team. After making a valiant attempt to overhaul a commanding Wilby advantage of seven points with but sixty seconds of play remaining, the Maroons were dropped from further competition by a 36-35 score, thus preserving their tradition of never having won a tournament game.

Throughout the season the Allenmen dropped 583 points through the mesh to their opponents' 415, thereby compiling an average of 38.8 points per game to the

THE TRACK TEAM

opposition's 27.6 tallies. The final standing, including the post-season contest, resulted in a record of thirteen victories against three defeats.

To bring in a few facts about the team itself, we must remember the six regular performers—Dick Kelly, Paul Klapprodt, Willie Turner, Bob Kask, Scottie Hynd, and Dick Porteus, along with the able reserves, "Chick" Sposito and Bob Allen. Flashy Kelly led the district in the individual scoring race, while cool-headed Paul Klapprodt wound up in fourth position. Towering Willie Turner contributed heavily with his superb work under the hoop. Bob Kask, although coming into his own late in the campaign, was invaluable to the team in the final half of the schedule. Smooth Scottie Hynd and fighting Dick Porteus rounded out what we shall recall as the best basketball team ever to don the colorful Maroon and White of Bulkeley High.

Again, hats off to a great team!

TRACK

After its great aggregation of last season, the Maroon cindermen fell off slightly this year, being turned back by numerous foes. Possessing an abundance of first-place men, the Dalymen lacked depth, dropped mostly second and third places, therefore losing valuable points.

Co-Captains Jack Pierce and Jack Bradley turned in excellent performances throughout the season, always being good for necessary points. Pierce, who has lost only two or three races during his career, was the main gun in the dashes and

broad jump, while Bradley continued at his specialty, the gruelling mile. In the 440, long-striding Melvin Smith carried the Maroon colors admirably, while the half-mile was completely lacking in any top-notch performers.

Fran Kelly, Williams, and Joe Adajian composed a trio of able high jumpers, while John Tomalonis soared to new heights, until he unfortunately sprained his ankle in the pole-vault. The weights found Fran Hennessey, "Budge" Danyliw, and Joe Fogarty in the discus, and Fran Kelly and Fogarty outstanding in the shot and javelin.

The summary is as follows:

TENNIS TEAM

Hampered by injuries to key players throughout the campaign, the Maroon netmen turned in a creditable season's work under the leadership of Captain Bernie McMahon. The Williamsmen, meeting one of the toughest schedules ever faced by a Bulkeley team, held their own during the season, dropping hard-fought decisions to Hartford and Weaver, the teams which tied for second in the State championships.

McMahon and Jack Newell were consistent winners, while Jim Rafferty, Jim Campbell, Jack Ryan, and Spen Scott also contributed their share of points. McMahon led in points scored, with Newell and Rafferty close behind.

With this year's entire team graduating, things look very black for next season's squad, but genial "Pop" Williams should manage to mold together a winning combination before the season is too old.
